What's on the Horizon

The Telehealth Law Forum Series will:

- Engage medical professionals in discussions of the most effective and legally sound approaches to advancing telehealth
- Provide an opportunity for telehealth stakeholders to engage with other like-minded organizations
- Educate telehealth stakeholders on opportunities for collaboration to advance telehealth

The Forum is organized by the Illinois Telehealth Initiative. The Initiative is a project of the Partnership for a Connected Illinois (PCI), an Illinois 501(c)(3) nonprofit corporation aimed at advancing telehealth in Illinois.

Marketing and organizational support provided by McDermott Will & Emery.
